SELECTED ORATORS
FOR BELTON CONTEST

EXERCISES HELD IN WEST
MARKET SCHOOL YESTERDAY MORNING

TWO WINNERS

Mr. Wm. Martin Representative
From Boys and Miss Clara
Burdine From the Girls.

At a declaimer's contest held in the West Market street school yesterday morning representatives were chosen to represent the city schools in the O'Neal Oratorical contest which will be held in Belton on Friday night. Mr. William Martin, son of Mr. and Mrs. O. L. Martin, was chosen to represent the boys and Mr. Frank Paget, son of Mr. and Mrs. J. M. Paget, was chosen alternate. Mr. Martin's subject was "The Flag," and Mr. Paget's "The New South." Miss Clara Burdine was declared the winner from among the girls, her subject being, "Beryl's Defense." Miss Allie Pearman was chosen as alternate from the girls, her subject being, "The Daughter of the Regiment." The judges for the contest were the Rev. D. W. Dodge and Messrs. Samuel L. Prince and Rufus Fant, Jr. All of the contestants did excellently and the judges had difficulty in deciding the winners.

Say She's Dictator

Miss M. Carey Thomas, President of Bryn Mawr.

Right on the eve of commencement, when the sweet girl graduate of Bryn Mawr will carry all before her, thirteen professors of the college have rebelled at what they call the dictatorial methods of Miss M. Carey Thomas, president. This, one of the most famous of American women's colleges, has been torn apart, and investigations are to be held.

TELLS HOW TO CLEAN
UP CITY ANDERSON

INTERESTING ESSAY FROM
CONTESTANT FOR \$5
PRIZE

MUST GET TO WORK

Little Writer Says That it Will
Take Co-operation of All to
Do it Well.

The following essay on "How to Clean Up Anderson," is one of the best which has been submitted in the school children's contest to win the \$5 prize which has been offered:

To make Anderson a real clean, beautiful and attractive city, it requires every one's aid. Therefore the first thing to do is to set to work, and get every one interested in having everything around them clean and sanitary. To do this it should be talked by all people who are interested in the movement, pamphlets of instruction should be published, and distributed among all the people, and newspapers should have editorials on the movement, and other items of interest on the subject.

The committee that is leading the "clean up and paint up" campaign should get the other people that are interested in it, to go from one section of the city to another lecturing and talking on cleanliness and sanitation, until every community has been visited. They should give instructions about where to get necessary articles, and how to use them to make objects be (not look) beautiful, clean and sanitary. If necessary they should go with a person to his home, and show him how to perform certain difficult duties.

Pamphlets should be printed and distributed among the people, by the committee of the "clean up and paint up movement." This should be done in order that the people may refer to them at anytime when they are cleaning up. In these it should explain how to beautify the home by cleaning the cellars, stables and front and back yards, putting in good repair the garden and yard fences and sheds, planting of flowers, trimming of hedges and trees. The great helps of paint should also be told of and explained.

Daily newspapers should give aid to the cleaning and beautifying of Anderson in the editorials and news columns. It should be told why we have the "clean up and paint up" week and its importance, a number of ways in which we should spend this week, and the results of a busy clean up week.

The cleaning of the streets, allies and hauling off of tin cans and rubbish should be carried on by the city authorities. All garbage, rubbish and tin cans should be carted off to and open place outside the incorporate limits and burned by an incinerator plant. This would prevent the breeding of mosquitoes, flies and disease germs.

All the vacant lots that are run down and grown up with weeds should be made use of in some way. The committee of the "clean up and paint up" campaign should ask the owners for the use of these lots for a childrens vegetable or flower garden.

If every one would have clean and sanitary homes, many calamities that happen each day would be prevented. We would be better all the way round, thereby making a careful and attractive city.

HOG CHOLERA

Every Farmer Should Know How to Inject Cholera Serum.
Clemson College, April 14.—Write to Dr. R. O. Feeley, Clemson college, S. C., and request a free bulletin on hog cholera symptoms, and post yourself. When your hogs show these symptoms, phone or wire your county demonstration agent at once for aid, unless you have already had his services. In which case you ought to know how to proceed without his help. It is impossible for him to see every man's hogs, so it will be necessary for you to learn to treat them yourself after one demonstration.

"Prevention is worth more than cure" is an old adage which applies especially to this malady.

HERE'S REAL NEWS

For Readers of The Intelligencer.

What could be of more interest to Anderson kidney sufferers than the statement of an Anderson resident who has suffered and has been cured? Doan's Kidney Pills are publicly endorsed by many Anderson people. Read what Mr. Garrison says about them.

L. W. Garrison, shoemaker, 1510 S. Main St., Anderson, says: "I was in terrible shape with kidney trouble. Many times when I was walking home to dinner, I would feel a catch in my back and down I would go, often being obliged to ask for help to get up. My kidneys acted too often, but the secretions were scanty and filled with sediment. I had such bad dizzy spells that everything in front of me became blank. After suffering two years, I got Doan's Kidney Pills at Evans' Pharmacy and one box made an improvement. I kept on until I had taken three boxes and by that time, I was cured. Best of all the cure has lasted."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mr. Garrison. Foster-Milburn Co., Props., Buffalo, N. Y.

LADIES! LOOK YOUNG,
DARKEN GRAY HAIR

Use the Old-Time Sage Tea and
Sulphur and Nobody Will
Know.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks tressed, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a 50-cent bottle of "Wych's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally, and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Wych's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.
